## Capps Motion to Instruct Conferees on H.R. 1—Medicare Prescription Drug Modernization Act of 2003

**Order of Business:** On Wednesday, October 29<sup>th</sup>, 2003, Rep. Lois Capps (D-CA) announced her intention to offer a motion to instruct conferees on H.R. 1, the Medicare Prescription Drug Modernization Act of 2003.

**Summary of Motion:** The motion directs the House conferees to:

- Reject subtitle C of title II of the House bill. This section provides for competition in 2010 between privately run Medicare plans and traditional Medicare fee-for-service. More information on the 2010 competition provisions can be found here: <http://www.house.gov/burton/RSC/MedicareHR1Summary03.pdf>
- Reject section 231 of the Senate bill (S. 1). Section 231 authorizes the Medicare administrator to set up “highly competitive” preferred provider regions. In these regions, preferred provider plan payments would be based on bids instead of regional benchmarks. Funding for the program totaling \$6 billion would be available for 2009 through 2013.
- Increase payments to physicians by the amount saved by eliminating the two provisions above.
- Retain section 601 of the House bill. This section provides for physician payment updates of not less than 1.5% for FY04 and FY05.

**Cost to Taxpayers:** Any motion to instruct conferees is non-binding and thus would have no effect on the cost of the underlying legislation.
